e. Waters of the State - means the ocean and its estuaries, all springs, streams and bodies of surface or ground water, whether natural or artificial, within the boundaries of the State of New Jersey or subject to its jurisdiction.

§____-3. Prohibited Conduct.

1. Any person who controls whether owned, leased, or operated, a refuse container or dumpster must ensure that such container or dumpster is covered at all times and shall prevent refuse from spilling out or overflowing.

2. Any person who owns, leases or otherwise uses a refuse container or dumpster must ensure that such container or dumpster does not leak or otherwise discharge liquids, semi-liquids or solids to the municipal separate storm sewer systems operated by the Township of Stillwater.

§____-4. Exceptions to Prohibition.

a. Permitted temporary demolition containers.

b. Litter receptacles (other than dumpsters or other bulk containers).

c. Individual homeowner trash and recycling containers.

d. Refuse containers at facilities authorized to discharge stormwater under a valid NJPDES permit.

e. Large bulky items (e.g., furniture, bound carpet and padding, white goods placed curbside for pickup).

§____-5. Enforcement.

This Ordinance shall be enforced by the New Jersey State Police, and all Township and County Officials whose duties permit municipal code enforcement.

§____-6. Penalties.

Any person(s) who is found to be in violation of the provisions of this Ordinance shall be subject to a fine not to exceed \$ ____ for each storm drain that is not retrofitted to meet the design standard.

§____-7. Severability.

Each section, subsection, sentence, clause and phrase of this Ordinance is declared to be an independent section, subsection, sentence, clause and phrase, and the finding or holding of any such portion of this Ordinance to be unconstitutional, void, or ineffective for any cause, or reason, shall not affect any other portion of this Ordinance.

§____-8. Effective Date.

SECTION 2

The Township Clerk shall take all necessary action to assure the Code is promptly updated to include this Ordinance.
