(k) This same is made subject to all applicable laws, statutes, regulations, resolutions and ordinances of the United States, State of New Jersey and Township of Stillwater.

(m) No employee, agent or officer of the Township of Stillwater has any authority to waive, modify or amend any of the conditions of sale.

(n) The purchaser must abide by appropriate zoning, subdivision, health and building regulations and code, and agrees that this sale will not be used as ground to support any variance from or realization of the regulations.

(o) The failure of the purchaser to close on title within the time provided for in Subsection 5(f) of this Ordinance shall constitute a breach of this Ordinance unless the Township agrees in writing prior to that date to extend the time of the closing. In the event the purchaser fails to close within the dates provided for in Subsection 5(1) or such date as may be extended by the Township, the deposit paid by the purchaser shall be retained by the Township as liquidated damages. The municipality is entitled to retain the purchaser's deposit to the extent of any expenses and/or losses it incurs including but not limited to advertising costs, attorney's fees, lost tax revenues from the date of the required closing as well as additional cost of resale and the difference in the sales price, to the extent the property is sold for a lower price and any subsequent sale. The only exception to this section is in the event that the purchaser fails to close as a result of the title being unmarketable, in which case the Purchaser shall be entitled to a refund of their deposit as provided for in Subsection 5(c) of this Ordinance.

(p) The purchase shall not be used for any County, Board of Taxation, Tax

Court of New Jersey, or in any Courts of the State as grounds to support a challenge of the existing assessments with regard to other properties.

Provided such survey depicts the Property and is certified to be correct to the Township of Stillwater, the Township of Stillwater shall utilize the legal description drawn in accordance with such survey in the Deed of conveyance, provided the highest bidder provides such legal description and a copy of the certified survey to the Township of Stillwater not less than one week prior to the date set for closing of title.

RESOLUTION 2024-76

**AN ASSEMBLY RESOLUTION OPPOSING CERTAIN PROPOSALS
CONCERNING THE DELAWARE WATER GAP NATIONAL RECREATION
AREA**

WHEREAS, The Delaware Water Gap National Recreation Area ("Delaware Water Gap") is a unit of the National Park System located in New Jersey and Pennsylvania, that currently encompasses nearly 70,000 acres, of which 21,978 acres are in Sussex County and 9,222 acres are in Warren County; and

WHEREAS, The Delaware Water Gap offers numerous recreational opportunities, such as bicycling, bird watching, boating, camping, canoeing, cross country skiing, fishing, hiking, horseback riding, hunting, swimming, walking, and special events, and is home to numerous rare, threatened, and endangered species of plants, amphibians, fish, mammals, and reptiles; and

WHEREAS, In 2022, and again in 2023 with a revised proposal, the Delaware River National Park and Lenape Preserve Alliance proposed to change the designation of the Delaware Water Gap from a National Recreation Area to a National Park and Preserve, and to expand the area of the present Delaware Water Gap; and

WHEREAS, The Delaware River National Park and Lenape Preserve Alliance plan to establish the "Delaware River National Park and Lenape Preserve" ("Redesignation Project"), which would include the Delaware Water Gap and the Middle Delaware National Scenic and Recreational River, would limit or prohibit certain recreational activities in certain areas of the park, such as hunting, that are enjoyed by both residents and visitors; and

WHEREAS, If enacted, such a change would be likely to negatively affect the economic prosperity of businesses in Sussex and Warren counties that benefit substantially from tourism to the Delaware Water Gap, and residents would no longer have the opportunity to enjoy hunting and other recreational activities locally; and

WHEREAS, The specifics and scope of the Redesignation Project, and the environmental, economic, and agricultural impact of the project remain unknown, including if, and how, fees will be collected, and how the project will be funded; and

WHEREAS, The Redesignation Project raises concerns that the rights of local property owners will be disregarded, and eminent domain will be used by the federal government to acquire private and State property adjacent to the Delaware Water Gap, including nearby High Point State Park, Stokes State Forest, and Worthington State Forest; and

WHEREAS, The conversion of private property to federal parkland would result in a reduction of tax revenue in affected municipalities, may negatively affect local school districts in the area, and may negatively affect the local economy by preventing farmers who lease land along the Delaware River from producing crops that feed livestock; and

WHEREAS, The Redesignation Project may further affect the local economy in a similar manner by potentially prohibiting or restricting recreational activities, including hunting, which will cause local businesses in Sussex and Warren counties to suffer financially, force tourism to other states that offer these activities, and prevent residents from enjoying hunting and other recreational activities locally; and

WHEREAS, It is fitting and proper for this House to express opposition to proposals, such as the proposal from the Delaware River National Park and Lenape Preserve Alliance, to change the designation of the Delaware Water Gap from a National Recreation Area to a National Park and Preserve and expand the current boundaries of the Delaware Water Gap National Recreation Area, to ensure that the rights of local property owners are protected, to prevent financial and economic losses in the area, and to protect the freedom of local residents and visitors to enjoy all of the recreational activities the Delaware Water Gap has to offer; now, therefore,

BE IT RESOLVED *by the General Assembly of the State of New Jersey:*

1. This House opposes all proposals to change the designation of the Delaware Water Gap from a National Recreation Area to a National Park and Preserve and to expand the Delaware Water Gap National Recreation Area beyond its current boundaries.

2. Copies of this resolution, as filed with the Secretary of State, shall be transmitted by the Clerk of the General Assembly to the Governor and Lieutenant Governor of the State of New Jersey, the Secretary of the Interior, the Director of the National Park Service, the Regional Director of the Northeast Region of the National Park Service, every member of Congress elected from this State, and the Commissioner of the New Jersey Department of Environmental Protection.

STATEMENT

This resolution expresses opposition to all proposals to change the designation of the Delaware Water Gap from a National Recreation Area to a National Park and Preserve and expand the current boundaries of the Delaware Water Gap National Recreation Area. The Delaware Water Gap National Recreation Area ("Delaware Water Gap") is a unit of the National Park System located in New Jersey and Pennsylvania that encompasses portions of Sussex and Warren Counties.

The Delaware Water Gap offers numerous recreational opportunities that are enjoyed by the residents of Sussex and Warren counties, as well as residents from throughout the State and visitors from across the country. A recently proposed project titled "Delaware Water Gap: Redesignation Project" ("Redesignation Project") seeks to change the designation of the Delaware Water Gap from a National Recreation Area to the Delaware River National Park and Lenape Preserve, and to expand the area of the present Delaware Water Gap National Recreation Area. The specifics and scope of the Redesignation Project and the environmental, economic, and agricultural impacts of the project, remain unknown, including if, and how, fees will be collected, and how the project will be funded.

In addition, the Redesignation Project raises concerns that the rights of local property owners may be disregarded. It is possible the federal government will use eminent domain to acquire private and State property alongside the Delaware Water Gap National Recreation Area, including nearby High Point State Park, Stokes State Forest, and Worthington State Forest. The conversion of private property to federal property would result in numerous economic ramifications. It would result in a reduction of tax revenue in affected municipalities, may negatively affect local school districts in the area, and may negatively affect the local economy by preventing farmers who lease land along the Delaware River from producing crops that feed livestock.

The Redesignation Project may further affect the local economy by prohibiting or restricting recreational activities, including hunting. As stakeholders determined in 2016, prohibiting these recreational activities will cause local businesses in Sussex and Warren counties to suffer financially, and prevent local residents from enjoying hunting and other recreational activities locally.

Stillwater Township opposes all proposals to change designation of Delaware Water Gap from National Recreation Area to National Park and Preserve, including proposal from Delaware River National Park and Lenape Preserve Alliance.

CERTIFICATION

I hereby certify that the above Resolution was adopted by the Township Committee at their regular meeting held March 5, 2024, at the Stillwater Township Municipal Building, 964 Stillwater Road, Stillwater, Sussex County, New Jersey.
