NOTICE TO APPLICANTS REGARDING UNDERSIZED LOTS

A. The Stillwater Township Zoning Board of Adjustment as part of its by-laws and procedures recommends the attached buy-sell form letter be followed in corresponding with abutting property owners. While you are not required to use the exact wording in the enclosed form (and the form should be modified for individual applications where appropriate), it is the policy of the Zoning Board to require the buy-sell letter to contain the substance of the attached letter which should be sent by certified mail and ordinary mail at least 20 days before the first scheduled hearing date. Failure to follow this procedure may result in an adjournment of the hearing until the procedure is followed or a determination by the Zoning Board of Adjustment that you have not established the necessary hardship for the granting of variances. The purpose of this form letter is to assist applicants in giving the appropriate notice in undersized lot cases.

You must be prepared at the hearing to offer into evidence a copy of this letter with the return receipt request together with any response from the abutting property owners. In the event the response is oral only, then you are advised to write another letter to the abutting property owners setting forth the substance of the conversation (i.e.: such as any indication of an offer to purchase or sell) together with a statement in the letter that the abutting property owner may appear on the hearing date to give testimony. A copy of your responding letter by certified mail may be offered at the hearing. The Zoning Board will be concerned with how valid your attempts are to give adequate notice to the adjoining property owner.

B. Stillwater Township Ordinance requires evidence that a septic system can be located on the property with sufficient space remaining for a well and residence. Therefore, the Board of Health approval is required before a hearing can be scheduled.

If you have any questions concerning the procedure to be followed, consult our own attorney.

OFFER TO SELL

Certified Mail - RRR and Regular Mail

Mr./Mrs: _____

Lot: _____, Block: _____, Stillwater Township

Address: _____

Calendar Number: _____

Dear Adjoining Property Owner:

_____, who owns a lot adjacent to your lot is applying to the Zoning Board of Adjustment for a variance.

The purpose of this letter, in addition to the variance notice previously sent to you, is to inquire whether you have any interest in either (a) purchasing this lot at its fair market value as a building lot (which assumes the variance has been granted), or (b) selling additional land to us in order to make the lot conforming or more conforming.

You should be aware that in the event you purchase the lot as a building lot at its fair market value, it would have to be merged with your lot and not remain a separate buildable lot. It is important to emphasize that the price we would be entitled to request would be a building lot price and not mere raw acreage.

In addition, if you contemplate conveying a portion of your existing lot to our lot to make it more conforming, it is doubtful the Board would consider such a proposal if by doing so you render your lot non-conforming in any respect.

Finally, you should be aware that it is not our choice to either sell this building lot or contemplate purchasing additional land from you as we believe the existing lot is quite suitable for a single-family residence. Nor do we believe in this instance that the law would require us to sell the lot to you. Nevertheless, the purpose of this letter is to inquire of you as adjoining property owners of your interest in the matter and if you have no interest in buying or selling as described above, to let the Zoning Board know of your position. Would you please indicate on a copy of the letter enclosed your position with respect to this letter which I will provide to the Board. You may certainly feel free to call me if you have any questions.

Enclosed is a stamped, return addressed envelope for your convenience. You may, of course, attend the Zoning Board hearing and provide testimony concerning your position.

Very Truly Yours,

Applicant's Telephone No: _____

To Whom it May Concern:

The undersigned has made an application before the Stillwater Township Zoning Board of Adjustment for relief from provisions in the Municipal Land Use Law which require that building permits only be issued for properties which abut a public street. Pursuant to the Municipal Land Use Law, relief can be granted from this requirement by the Zoning Board of Adjustment. However, it is my burden to establish before the Zoning Board that the non-public/private road on which my property abuts will provide: "adequate access for firefighting equipment, ambulances and other emergency vehicles necessary for the protection of health and safety and that will protect any future street layout shown on the official map on or on the general circulation plan element of the Municipal Master Plan." To that end I would ask that you provide in your capacity as a member of the emergency services organizations within Stillwater Township, a written opinion to the Zoning Board as to the non-public road on which my property abuts would meet, or not meet, the criteria stated above.

If you have any questions, please do not hesitate to contact me at the phone number listed below or the Zoning Board of Adjustment at 973-383-9484 for clarification.

The Board is tentatively planning to hear my application on: _____.
