

Date: Sunday, October 27th (rain or shine) In case of severe weather, event will be cancelled with no rain date.

Time: 2pm

We will end when candy runs out, or trunk or treaters have dwindled and no new ones are in sight (approx 1 - 1 1/2 hours). Trunks should be completely set up by 1:40. Trunks should plan to remain in place until event ends. Costume contest will occur at 2:45 and winning trunks (people's choice 1st, 2nd, 3rd place prizes) will be announced at approximately 3:15 (immediately following the costume contest)

Place: Veteran's Memorial Park
932 Pond Brook Road, Newton, NJ 07860

Participating trunks will be allowed to drive down through the gate above the playground. (Gates will be locked at 1:45 and won't be unlocked until after event ends). Keep in mind there is no power source at the field so if your set up requires electricity you will need to bring a generator. Tents, tables, etc are permitted as we have plenty of space! Refreshments will be provided. If you plan on attending but not participating with a truck, please consider donating a bag of candy to help replenish the participating trunks.
