

## **CERT minutes March 26, 2025**

The meeting was called to order at 7:10pm.

Flag salute

**Present:** Lori Breen, Barbara Kimmich, Roland Kimmich, Carol Kouba, Doug McIntyre, Dawn Mutschler, Maureen Tsadilas

### **Old Business:**

There were no OEM or fire reports this month.

Everyone should have a vest by now. They are needed for Stillwater Cleanup Day.

On Cleanup Day we will do Stillwater Road up to Fairview Lake Road. Members are encouraged to bring their own recycling and papers for shredding.

### **New Business:**

We received a new, updated training schedule tonight.

There will be a Training Day at the Fairgrounds on April 26. Participants must bring their CERT backpack.

On April 29 there will be a webinar on seizures.

Call Dawn to register for a wellness program.

The town Easter egg hunt will not be a CERT event this year (we will not set up a table).

There is an i.d. bracelet program for senior citizens to aid them if they get lost. It has a 90% recovery rate.

CERT will participate in the Water Safety Fair and Stillwater's bicentennial celebration.

Doug talked about FEMA training, getting an i.d. number and setting up a password.

Tonight's training was basic first aid. It included information about burns, choking, cuts and scrapes, electrocution, fractures, head trauma, nose bleeds, punctures, and bites.
