Public Notice – CR 521 Maple Avenue

Distributed: July 30, 2025

Project:

**Township of Stillwater
County Route 521 (a.k.a. Maple Avenue)
Return to Two-Way Traffic**

Construction Forces:

- Sussex County Division of Public Works
- Sussex County Office of Bridge & Traffic Safety

Advisory:

- In the interest of public safety, CR 521, Maple Avenue (approximately ½ mile north of the Warren County line) was temporarily reduced to a single lane in Nov 2023 utilizing temporary traffic signals to provide two-way, single-lane operations.
- In anticipation of a multi-year design and bidding process for final construction of the replacement retaining wall, the County's design consultant has determined that two-lane, two-way traffic operations can be restored at this location utilizing reduced width lanes through the temporary traffic control zone.
- A closure/detour of CR 521, around the project site, is required to perform the necessary work to reestablish two-way traffic. (detour map attached).

Anticipated Schedule:

- Closure/Detour to be implemented on Monday, August 4.
- Two-Lane, Two-Way operations to be restored on or about Monday, August 18.

CR 521 Traffic Impacts:

- CR 521 will be closed and detoured to support the subject work.

Contact Information:

For more information about this project please feel free to contact Josh Roe, P.E., Supervising Engineer, of the Sussex County Division of Engineering at 973-579-0430 or dpw@sussex.nj.us
