Re: Request for Proposals-Banking Services

Stillwater Township is requesting proposals for banking services. The Township is seeking a single full-service bank with extensive experience in governmental client relationships.

The primary objective is to maximize earnings while maintaining flexibility to transfer funds among operating accounts to satisfy the Township's cash flow requirements. Other factors for consideration shall include the financial stability of the banking institution, online banking and the quality of financial reports to facilitate reconciliation of bank cash balances with the Township's book balances. The Township should also have a good faith expectation the banking institution will bid on our annual Bond Anticipation Note.

Interested banks shall submit a proposal to include the attached scope of services. All costs may be included in the interest rate and any compensating balance requirements. Banks should submit interest rates for 12 regular accounts with applicable indexes or floor rates. Overall, the average monthly balance held by the Township is approximately \$4,000,000. All proposals shall include documentation for eligibility to act as a depository for public funds under the Governmental Unit Depository Protection Act (GUDPA.)

As a part of the evaluation process, the Township reserves the right to interview bank personnel, receive demonstrations of online banking and visit branch offices.

All proposals are due no later than December 3rd by 11 a.m. to the Chief Financial Officer. Should you require account information, please call Tammy Leonard, CFO at 973-383-9484 x 24 or email at cfo@stillwatertwp.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tammy Leonard".
