

Stillwater Township Recreation Commission

🎃 Trunk Or Treat 🎃

Date: Sunday, October 26th (rain or shine) In case of severe weather, event will be cancelled with no rain date.

Time: 2pm

We will end when candy runs out, or trunk or treaters have dwindled. Trunks should be completely set up by 1:40. Trunks should plan to remain in place until event ends. Costume contest parade will begin around 2:45. Winning trunks - Recreation choice and people's choice (1st & 2nd prizes), will be announced immediately following the costume contest.

Place: Veteran's Memorial Park 932 Pond Brook Road, Newton, NJ 07860

Join us in creating a fun and safe Halloween experience for our community!!!

Participating trunks will be allowed to drive down through the gate above the playground. (Gates will be locked at 1:45 and won't be unlocked until after event ends). Keep in mind there is no power source at the field so if your Trunk requires electricity you will need to bring a generator. Tents, tables, etc are permitted as we have plenty of space! Refreshments will be provided. If you plan on attending but not participating with a trunk, please consider donating a bag of candy to help replenish the participating trunks.
