It's going to be 173' tall and a major eyesore to the residents of Paulinskill Lake. They are also concerned that it is going to scare away the eagles. She asked if the Township could reach out and express concerns on behalf of the residents. They spoke with the Environmental Commission already and have about 30 members who are going to attend the Fredon Land Use Board Meeting with Verizon to contest the cell tower. Mayor V. Rumsey stated that she was just given paperwork on the cell tower, including diagrams. The Committee will look everything over and take everything under advisement.

### **AMENDMENTS TO AGENDA**

Mayor V. Rumsey noted Resolution 2026-037 will be added to the end of the agenda.

### **PUBLIC SESSION (Agenda Items Only – 3 Minute Time Limit)**

#### **Public Session Open.**

D. Gatanas stated that he had some questions on the Cap Bank Ordinance. He noticed that other towns do this Ordinance annually as well. He asked if the money is used for a specific purpose. Mayor V. Rumsey noted that the CFO created an explanation of the Cap Bank Ordinance for the public's knowledge and that there were copies in the back of the room. The Township Attorney explained that the Cap Bank Ordinance allows the municipality to bank their Cap obligations every year up to a certain amount of money, which then allows them to have in case there is a need to exceed the Cap for some unknown reason. Otherwise, it's simply a number. Committeewoman L. Chammings and Committeeman G. Scott stated that they have never gone over the Cap as long as they have both served. It's either been at or under the Cap.

D. Gatanas asked if there was an in-house supervisor for the Zoning Official. Mayor V. Rumsey responded that no one in town hall oversees the Zoning Official.

D. Gatanas asked what the Planning Board and Zoning Board's goals are for 2026. Mayor V. Rumsey responded that the Planning Board is meeting for their reorganization meeting

tomorrow. Deputy Mayor D. Delaney stated that the Planning Board is reviewing rental options, specifically Airbnb's. Mayor V. Rumsey stated that they will also be reviewing the master plan. The Zoning Board & Zoning Official will be reviewing Ordinances and the Code for any necessary updates that need to be made.

K. Draghi stated that at the end of the year, the Zoning Board makes recommendations to the Planning Board, which then sends it to the Township Committee. The Township Attorney noted that the Zoning Board can make recommendations directly to the Township Committee. They do not have to send everything through the Planning Board for review first. No further public comments.

**APPROVAL OF THE CONSENT AGENDA**

A **MOTION** was made by Deputy Mayor D. Delaney and seconded by Committeeman D. Manser to adopt the Consent Agenda with the exception of Resolution 2026-024, 2026-033, and 2026-034 for further discussion.

**ROLL CALL:** Committeeman D. Manser; yes, Deputy Mayor D. Delaney; yes, Committeewoman L. Chammings; yes, Committeeman G. Scott; yes, Mayor V. Rumsey; yes. Motion carried with all in favor.

Committeewoman L. Chammings stated that she wanted to discuss Resolution 2026-033. Section 1B states that the property must remain vacant. She asked if the Town would be able to add a community garden or pickleball court down the road if the resolution states this. The Township Attorney stated that another discussion would be needed with Hampton Township if they'd like to put something on that property in the future. A community garden could go in, but anything else, if they wanted to add a shed, etc., would need approval and to go through the Planning Board. The Committee decided to pull Resolution 2026-033 from the agenda and table it until the next meeting.

Committeewoman L. Chammings stated that for Resolution 2026-024, she had requested to also be liaison for Stormwater Management/Engineering and Fair Share Housing. Mayor V. Rumsey stated that the resolution can be amended, and for the Clerk to add them to the Resolution.

**A MOTION** was made by Deputy Mayor D. Delaney and seconded by Committeeman D. Manser, with all members in favor, to amend Resolution 2026-024 to include Stormwater Management & Fair Share Housing under Lisa Chammings as liaison.

Committeewoman L. Chammings stated that for Resolution 2026-035 & 2026-002A, she just wanted to state that she appreciated everyone's agreement to go back to Gallagher Risk Management.

### **DISCUSSION ITEMS:**

#### 1. Municibid Results

Committeewoman L. Chammings stated that the ambulance sold on Municibid for \$5,100 and was picked up earlier that day from the town hall.

#### 2. LRIG Grant Items

The Committee discussed the LRIG grant items and agreed to pare down the requests and just focus on one project. They agreed the Community Center needs a new entryway, including the door, a new furnace, new generators for the community center and fire side, and AC. A resolution will be on the next agenda for approval.

### **OPEN PUBLIC SESSION at 7:36 pm**

L. Sylvester stated that he was there on behalf of the Kittatinny School District and just wanted to pass along some information to the Township Committee. They are mailing quarterly newsletters to residents and welcome the public to attend their meetings. They are working on a new cell phone policy at schools for next year. Some of the board members have taken professional development classes. They are working on improving themselves to best serve the community and increase transparency. The budget for the school has remained the same, even though the funding from the state has significantly decreased. They have cut back a lot at the school but are continuing to look for more ways to reduce costs to taxpayers. They are looking into participating in a regionalization study for grades pre-k through 12<sup>th</sup>. They are studying the

projected demographics to try and anticipate a decrease in the number of children aged or an uptick as well as what the cost savings would be to do this. They are also looking into additional shared services. Their meetings are on Thursdays at 7:00 pm and all are welcome to join.

J. Doherty read the following statement to the Township Committee:

*“I AM HERE THIS EVENING TO SHARE WITH COUNCIL AND MY FELLOW CITIZENS MY OPINION ABOUT OUR STATE GOVERNMENT AND ITS RECENT ANTI-I.C.E. ACTIONS SOLIDIFYING NEW JERSEY AS A SANCTUARY STATE. I THINK WE ALL CAN AGREE THAT LEGAL IMMIGRATION HAS ITS MERITS AND HAS BEEN A CORNERSTONE OF OUR IMMIGRATION HISTORY. HOWEVER, ILLEGAL IMMIGRATION IS A DIFFERENT STORY. IT IS WELL DOCUMENTED THAT THERE ARE MANY UNDESIRABLES IN THE MILLIONS WHO BREACH AMERICA’S BORDERS AND IT IS RIGHT AND PROPER TO PURGE SAID ELEMENT FROM OUR MIDST IF THE RULE OF LAW IS TO SURVIVE. IT OCCURS TO ME THAT THE PROGRESSIVE LIBERAL DEMOCRATIC LAWMAKERS DON’T SEE IT THAT WAY. FORMER GOVERNOR MURPHY HAS ALWAYS CHAMPIONED THE ILLEGALS, AND NEWLY-INSTALLED GOVERNOR SHERRILL ECHOES HIS SENTIMENT AND HAS EVEN GONE SO FAR AS TO CHALLENGE AND DEFY PRESIDENT TRUMP ON ENFORCING FEDERAL LAW. IT IS BOTH OUTRAGEOUS AND OBSCENE THAT THE PEOPLE’S SO-CALLED REPRESENTATIVES CODDLE AND SHIELD CRIMINAL ILLEGAL ALIENS, MANY OF WHOM ARE VIOLENT, HAVING INFLICTED PAIN, SUFFERING, AND DEATH ON AMERICAN CITIZENS. PROPOSING, SUPPORTING, AND PASSING SUCH LEGISLATION LABELED SIMPLY AS AN IMMIGRANT PROTECTION POLICY FAILS TO ACCURATELY DESCRIBE THE TRUE NATURE OF THIS TREACHEROUS ACT. SHAME AND CONDEMNATION ON ALL WHO SUPPORT AND PROMOTE THIS SCOURGE THAT HAS BEEN PERPETRATED UPON THE GOOD PEOPLE OF NEW JERSEY!”*

The Township Committee thanked Mr. Doherty for his statement.

I. Snooks expressed concern over the cell tower in Fredon. He stated that they were at the Environmental Commission meeting on Monday. The Eagles that nest on the ridge in Paulinskill Lake are in danger from the construction of the cell tower.

D. Gatanas commented on the LRIG grant and how its primary beneficiary would be the Community Center. He asked if the Community Center is a financial liability and if it earns enough money to cover all of its costs. Mayor V. Rumsey responded that it is a Community Center and its primary purpose is to serve members of the community. She stated that they are going to work on lowering the costs for the private parties again soon.

D. Gatanas stated that he noticed that all the Board and Committee’s terms have been added to the website except for the Planning Board. He asked when that would be updated. The Clerk responded that she would look into it the next day and update.

M. Tsadilas stated that she was there on behalf of CERT. CERT will be hosting a “Storm Restoration” presentation at the Community Center on January 28<sup>th</sup> at 7:00 pm. They will also be hosting the Community Safety Programs through the Sheriff’s Department. March 10<sup>th</sup> will be

the first one on “Winter Safety” from 1:00 pm until 2:30 pm at the Community Center. On April 12<sup>th</sup>, they are hosting “Avenues in Motion” and will be giving away 70-75 free bike helmets that range from size small through adult. They fit the helmet to your head to ensure that it’s being worn properly. They will also be providing bike safety tips.

B. Tigue stated that the potholes are terrible on Possum Hill Road and wanted to know if the DPW is relaying the condition that they are in.

S. Michaelman echoed the comment and stated that the potholes that were filled in have since been removed again by the snowplows. She also asked if there was an update as to the increased number of power outages that was discussed at the last meeting. Mayor V. Rumsey stated that a letter was sent to JCP&L requesting a meeting. Committeewoman L. Chamings stated that she has a meeting with the JCP&L representative, engineer, and forestry next week to discuss the problem areas in Stillwater as OEM, and she will report back.

R. Rivonne stated that the meeting at the Fredon Township Land Use Board is on the 26<sup>th</sup>. Verizon and its attorney will be present at the meeting. They asked if the town could promote the meeting. The Committee agreed that they could post the information for Fredon’s Land Use Board meeting on the Township website.

P. Tigue asked if the Veteran’s box was placed in the municipal building. Mayor V. Rumsey stated that it was. He stated that the subject is very dear to his heart, and he encouraged the residents present to please bring in donations and encourage others to do so as well. The collection is through February 6<sup>th</sup>. Mayor V. Rumsey stated that they will consider having a permanent Veterans’ donation collection box there.

K. Draghi stated that the mahjong group is giving their monthly donation to Veteran’s projects this year. She also commented that the cell tower in Fredon is similar to what happened with the one that was installed at the Community Center. She stated that the Town & Zoning had fought it; however, the judge declared in court that it was inherently beneficial to the public and let it pass anyway.

L. Sylvester stated that he had been approached by a local veteran back in September regarding the Hometown Hero flags. He has spoken with the Town of Newton, which explained that the Vet’s families purchased the banners. The town purchased the hardware, and the DPW installed it. The flags last about 6 years, after which the flag can be given to the family, and they have the option of purchasing another one. This is organized through the Recreation Commission. He also spoke with Sparta, which is run through their VFW. They usually place their orders in March for the flags, then put up for the month of May for Memorial Day, and for the month of November for Veteran’s Day. He stated that the township could do it for however long they want; for the month like Sparta, from May through November, or year-round. He would like to be able to do them and have them up for Veteran’s Day this year. He suggested that the forms and money be collected by the town.

J. Robinson stated that she lives on Old Station Road and has an issue with the oil and stone. She asked if the people that reside on that road put together a letter and expressed that they would

like it not be oiled and stoned next year, would the town accept it? Mayor V. Rumsey stated that the town goes by the advice of the engineers for the roads and would consider it.

J. Mineravino thanked the Township Committee for letting her put the Veterans' donation collection bin in the municipal office. She stated that she's also collecting Valentine's for veterans as well and sends them to local veterans. She offered to contact the veterans from her list to see if they'd like to do a banner.

D. Drumm stated that the hardware was about \$45 per pole and that the ones that they purchased for the bicentennial were donated to the town, so they are more than welcome to use them for the Veterans' banners.

No further public comment.
